

About the Organisers

Hosted by St. Mary's ISC, Chikmagalur

A premier institution nurturing scientific talent, character, and global vision.

Who We Are

St. Mary's ISC is a distinguished Grade 11 & 12 science and commerce institution located in the scenic education hub of **Chikmagalur, Karnataka**. With a legacy of academic excellence, the institution is known for:

- **100% Board Exam Success Rates**
- Exceptional performance in **NEET, JEE, CUET**, and international university admissions
- A carefully designed ecosystem that combines **rigorous academics, personal mentorship, and research-driven exploration**

Our Vision with NatSciX

NatSciX is not just an exam. It's an initiative to:

- Identify students with **raw scientific talent** who may not yet realize their potential
- **Democratize access** to world-class science education, regardless of location or background
- Build a **national-level platform** where merit is celebrated, nurtured, and mentored

Through this initiative, we open the doors of St. Mary's ISC to students who are **curious, driven, and ready to explore beyond the textbook.**

Why It Matters

In today's world, science needs not just scores—but **thinkers, innovators, and dreamers.** With the NatSciX exam and its exclusive residential camp, we aim to:

- Inspire deeper scientific curiosity
- Connect students to real-world science experiences
- Offer life-changing scholarships to the deserving few who rise above
